

# Weekly Media Monitor

Dec 6th - Jan 12th, 2025

This week's major news updates in Pakistan's energy and climate sectors:

- ➔ CNG stations in Khyber Pakhtunkhwa announce to operate only during night under winter load management plan.
- ➔ International oil prices rise as concerns grow over supply disruptions.
- ➔ The government starts the construction of a new nuclear power plant at Chashma at the cost of 1.12 trillion rupees.
- ➔ Gilgit-Baltistan residents protest prolonged power outages during freezing winter.
