

Weekly Media Monitor

April 07th - April 13th, 2025

This week's major news updates in Pakistan's energy sector include:

- ➔ The federal power division assures the International Monetary Fund (IMF) that Pakistan will not commit to new power generation projects without building their necessary transmission infrastructure.
- ➔ Pakistan is set to unveil its Green Climate Fund to address climate change, promote green development and attract foreign investment in the environment sector.
- ➔ Honda Atlas Cars Limited announces plans to produce Hybrid Electric Vehicle (HEV) in Pakistan.
