

# Weekly Media Monitor

July 07th - July 13th, 2025

This week's major news updates in Pakistan's energy and climate sectors:

- ➔ K-Electric holds weekly open-house sessions with trade groups, facilitates Karachi industries' shift from captive power to grid supply, offers tailored packages and upgraded 132 kV infrastructure.
- ➔ Power sector losses fall by 192 billion rupees in one year, drop from 591 billion to 399 billion through anti-theft drives, governance reforms, and improved recovery. Overall recovery rises from 92.4 percent to 96.4 percent, LESCO alone saves 60 billion.
