

Weekly Media Monitor

September 15th - September 21st, 2025

This week's major news updates in Pakistan's energy and climate sectors:

- ➡ Kot Addu Power Company Limited (KAPCO) begins supplying electricity from its 495 megawatt plant under a new Power Purchase Agreement (PPA) signed in June this year.
- ➡ Sindh plans a province-wide network of electric vehicle charging stations with technical and investment support from a Chinese firm.
- ➡ The National Electric Power Regulatory Authority (NEPRA) imposes 100 million rupees fine on Hyderabad Electric Supply Company (HESCO) for conducting excessive load-shedding in violation of regulations.
