

Weekly Media Monitor

October 20th – October 26th, 2025

This week's major news updates in Pakistan's energy and climate sectors:

- ➔ National Assembly's standing committee on Finance and Revenue finds that the National Electric Vehicle Policy 2025–30 favours manufacturers over consumers.
- ➔ Peshawar High Court seeks response from relevant departments after a petition challenges approval of a coal-fired power plant in Kohat..
